What you give and promise as a sponsor

Your \$30 monthly gift gives your child access to healthcare, two nutritious meals each school day, a formal and spiritual education, special activities, clean drinking water, and more. Additionally, you give them the chance to grow physically and mentally, realizing their God-given potential. But most importantly, you give them the satisfaction of knowing that someone loves them.

One of the best ways to facilitate lasting change in Haiti is by pouring into these children's and their families' lives. Our sponsors allow us to do that effectively and strategically.

Honor your financial commitment monthly so as not to abruptly remove your child from the program.

1. Pray for your child and their family!
2. Provide us with a photo of yourself or family to share with your child and place on our prayer boards.
